

Northern Football's 2024 Pigskin Prep Football Camp

This June, the Northern Football Coaching Staff will host the 25th anniversary of Pigskin Prep Football Camp. Our staff, along with other local collegiate coaches, are ready to offer their expertise to the gridiron stars of the future. The camp provides an excellent chance for your child to get a great start to the season! The day will be structured around skills development such as: rotating stations to learn football fundamentals and techniques, lineman positions & stance, proper ball handling, drills to practice speed and quickness, offense (w/ special emphasis on passing and receiving), defense, and special teams. This is a non-contact football camp.

At the end of their time we will help provide application of the football skills covered in a friendly competition. Players will be grouped by age/grade to ensure appropriate activities for all attendees.

In honor of the 25th anniversary, we plan to hold a special event on the last day of camp.

Stay tuned for event details!
