- Ed presented to the board having Knots & Knubs as an additional food truck at our home games
  - Jess Weber-Armour did look into this before the meeting and found that he would offer 25% kick back to NYFC but was requesting we waive volunteer check requirements.
  - Vote by board – bring to the practice field but not games due to limited space and same offerings as our concession stand. Will not be extending volunteer credit exemption.
    - Jess will reach out and make the offer

- Current Profit to date = \$427

  - Marianna subs will be 2-3 weeks for sales and then an additional 2-3 week turnaround
  - Popcorn loft is a similar turn around
- Do we want to run the fundraisers at the same time or alternate them?
  - May run into issues with keeping funds separate
  - Concern running them later and delivering when the season is over

  - Issues with parents seeing that they already paid and will not volunteer
- Jess will provide a list to Tim of families that are refusing to provide the volunteer check this year
- Jess is working on a list of families that have not turned in a check and comparing to families that have not signed up for volunteer slots
