### **OTHER POINTS OF INTEREST:**

- Banquet Proposal:
  - Feedback #1 – Location; several options provided
    - Dillsburg Borough was the unanimous vote
    - Brittany submitted the site request and will connect with Nichol on getting the funds in to secure the location
  - Feedback #2 – Food; are you in favor of doing the food on our own or should we hire someone?
    - The overall consensus was that catering is preferred.

- Brittany will look into different options and report back with the information once she has more
- Feedback #3 – Flow of program; A) stay the same with 3 different segments B) change to 2 segments with cheer and football split C) change to 2 segments with Smurf/peewee as one and Pony/Midget as another
  - Due to capacity limits at the Borough building, we will need to go with a 3-segment program.
  - The group all preferred the 2 segments.

    - Polar cub/Smurf: 1:30pm
    - Peewee: 3:00pm
    - Pony/Midget: 4:30pm
