 - Families expected to sell 3 bags OR make donation of \$15
- No other fundraisers are currently on the schedule (will work with Fronk about the night at the races for the off season)
- So far this year has been better than most with volunteer turn out
- Only complaints from volunteers are mainly about not enough food and drink donations to do the 2/2
 - some are not happy about having to do 4 working spots to meet requirements, however, these are also people who waited until the last minute or even after 1st game to sign up for spots.

- We still struggle to fill some spots for the pony game but that is a given every year with it being the last game of the day.
- We have had some complaints about the new concession set up they do not like it all in the building vs cashiers outside.
